Indian Association of Surgical Gastroenterology

IASGCON 2026

CME: 2nd October | Conference: 3rd & 4th October | Bursary: 5th October

Venue: Hotel Mayfair Lagoon & Convention, Bhubaneswar

ANNOUNCEMENT BROCHURE

Invitation

Dear Delegates,

On behalf of the Organizing Committee, it is our great pleasure and privilege to warmly welcome you to the **36th National Conference of the Indian Association of Surgical Gastroenterology (IASGCON 2026)** to be held from **2nd to 5th October 2026 in the culturally vibrant city of Bhubaneswar, Odisha.**

The scientific program of IASGCON 2026 has been carefully structured to offer a comprehensive and enriching academic experience. The conference will commence with a CME Programme on 2nd October 2026, followed by the Main Conference on 3rd and 4th October 2026 at Hotel Mayfair Lagoon & Convention, Bhubaneswar, a venue known for its world-class facilities and serene ambience. The event will conclude with the Bursary Programme on 5th October 2026 at AIIMS Bhubaneswar, designed especially to support and inspire young surgeons and trainees through focussed academic engagement and mentorship.

IASGCON is the flagship annual academic meeting of the Indian Association of Surgical Gastroenterology and provides an esteemed platform for surgeons, academicians, researchers, and trainees to exchange knowledge, present innovative research, deliberate on evolving surgical techniques, and build lasting professional relationships. IASGCON 2026 promises a rich blend of keynote lectures, invited talks, panel discussions, debates, free paper presentations, operative video sessions, and interactive forums led by eminent national and international faculty.

Bhubaneswar, the capital of Odisha, fondly known as the "Temple City of India," offers a unique blend of ancient heritage, spiritual depth, and modern urban development. The city has emerged as a prominent center for medical education, healthcare excellence, and academic conferences, making it an ideal host for IASGCON 2026. During your stay, you may wish to explore the timeless spiritual aura of the Shree Jagannath Temple at Puri, marvel at the architectural brilliance of the UNESCO World Heritage[®] listed Konark Sun Temple, experience the tranquil beauty of Chilika Lake with its rich biodiversity, or reflect in peace at the Dhauli Shanti Stupa, a symbol of non-violence and harmony.

Your visit to Odisha would be incomplete without experiencing its distinctive cuisine, which reflects simplicity, balance, and tradition. From the comforting flavors of Dalma and Pakhala Bhata to the famous chhena-based sweets such as Rasagola and Chhena Poda, Odia cuisine offers a delightful culinary journey. Equally captivating is Odisha's rich artistic heritage, showcased through its graceful Odissi dance and music, vibrant pipili appliqué work, intricate silver filigree, and exquisite handloom traditions that can be explored in local markets.

We are confident that IASGCON 2026 will be academically stimulating, professionally rewarding, and personally enriching. Beyond the scientific deliberations, we hope you will take time to experience the warmth, culture, spirituality, and hospitality of Odisha, ensuring that your visit leaves you with cherished memories.

We look forward to welcoming you to Bhubaneswar for IASGCON 2026.

Warm Regards,

The Organising Committee
